this isnt true. well atleast for ub3r's not getting negative feedbacks. If he is scamming people would negative rep him

Grim - March 9, 2017, 9:53 pm

if he scammed you open a scam report. If you want to report this to the community open a community alert. but this is not the right section as staff dont get involved.

bunny884 - March 9, 2017, 9:54 pm

ok were should i do community report?

Ubers can get negative feedback only by other ubers so yeah it is true all my negative feedbacks are from ubers whit no reason lol

Steve - March 9, 2017, 9:56 pm

Staff doesn't get involved with deal disputes. Go make a [deal dispute](#), and when you do it please

articulate your position better. Defend your "clames".

[Marketplace Discussions](#)

Make a thread with all proof then just use the prefix to mark it as a Community Alert.

NurSpec - March 9, 2017, 9:58 pm

Open a scam report, this isn't the place for this thread.

bunny884 - March 9, 2017, 10:25 pm

If you were a customer of his product and feel that you were scammed, you can make a deal dispute in [DD forum](#). If you want to warn the community make a community alert [here](#).

We do not get involved in deal disputes.
