Bumping for my homie, more people should enter this! Requirements are easy, by the looks of things you're sponsoring experienced doxers. Count me in for this one if it goes ahead! ?

Ending due to the lack of entries, I understand its a small amount but it's still free money. Don't get why only four people participated.

I have sent the one out of the four of you a Private Message asking for your BTC address please reply within the next 48 hours.

Thank you.
