Finally, can't wait to test it out.

SIM-2875347 - March 10, 2017, 2:20 pm

Hell yes! Im so excited for this

Cammy - March 10, 2017, 2:23 pm

Man i wish id software was in charge of this game

SIM-2580909 - March 11, 2017, 1:36 am

Woa, this looks pretty chill. I saw this on some subreddit yesterday. This new Quake game looks like the Unreal Tournament beta they realeased a while ago... :/

clrlslwi - March 11, 2017, 2:41 am

I love cheating in betas thx

y.flicka - March 12, 2017, 11:59 am

Just heard about the game yesterday I am going to check this out now ty op

Yui-Senpai - March 12, 2017, 12:02 pm

Just signed up thanks for the heads up.

Armada - April 19, 2017, 7:47 pm

I was given the opportunity to play this over the long weekend, and yea, it meets Quake standards, and then some.

Any of those, I believe they are still accepting beta registration.

Down side they only let you play from specific times.. heh...

pauleta - April 21, 2017, 8:25 am

the closed beta restart today

I still have a spare key to the closed beta
