Thread: [pricing copyrights and selling them here ?](#)

Ted™ - March 11, 2017, 10:25 am

am i allowed to sell copyrights to a video ?

and am i allowed to make an appraisal thread for a video's copyrights ?

Is it for that fail video?

It's allowed as long as it's a legal process and not just "here, congratz, you now have the rights".

If you're doing this legitimately I don't see there being a problem.

Best to ask a Staff member if you're still unsure, although I don't see anything in the rules saying you can't.
