Although there is a very high chance of McGregor being defeated, I am very excited for this to happen (if it does).

Anybody else have thoughts on this?

Bluffer - March 11, 2017, 11:45 am

McGregor will get fucked right up... looking forward to this! I will go to the casino and gamble while this shit is on lol.

Y3LI0NZ - March 11, 2017, 11:48 am

McGregor is going to get absolutly shit on.....

Whoever's sport it is will win, if it was UFC McGregor would win.

Berrydude - March 11, 2017, 6:50 pm

This stupid ass drama has been going on for the last 2 months, sick of hearing about it. Just fight already

Nygma - March 11, 2017, 7:00 pm

I know he's come out and said he'll fight but I still doubt it will happen. There will be some pay dispute or something. Stupid fight really.

Just look at the David Haye vs Bellew fight, anything can happen. McGregor is a prolific striker in mma and can do damage, Mayweathers game is usually defensive while Conor is the opposite. Mayweather could be too aggressive thinking he will walk McGregor and get done. You never know, his last professional boxing fight was back in September 2015 and only has a 26/49 knockout record.

Is it too long a time out of the game? Still don't think the fight will go ahead tho.

What is the purpose of this match?

I really don't see the point, lol. He doesn't need to come out of the retirement to prove anything and it's two different fighting styles.

Cash money is all. Both are all about the \$\$\$ and promoters are the same. Makes sense for Floyd as he has his promotion business.

vSnaging - March 12, 2017, 9:04 am

Floyd fixing to lose in round 2

Grinder777 - March 12, 2017, 4:55 pm

Floyd has a lot of stamina. I doubt conor would last more than 4 rounds

Yin Yang - March 12, 2017, 5:01 pm

Great way to earn \$ for Conor in my opinion, even if he loses. Mayweather is making \$ regardless if he's in retirement or not.

Bro, floyd is one of the fastest boxers ever, hes not a knockout type of fighter so that stat is irrelevant.. McG wont touch him.

RS8857 - March 12, 2017, 5:51 pm

Easy fight for McGregor to cash out on even for losing

D4RKST4R - March 12, 2017, 6:25 pm

So hyped about this.. cant wait for this throwdown!!

Skagit - March 15, 2017, 8:25 pm

I hope Floyd kicks Conor's white Irish ass... But that is just my opinion.

Both have a good chance.

WickedTuna27 - March 15, 2017, 9:18 pm

This is gonna be hype big \$ involved and lifetime reputations on the line!

zapaug - March 16, 2017, 11:10 am

i am very interested if they will do boxing or mma....bcos....in boxing mayweather will smash mcgregor...but in mma, will be hard..

Prophett - March 16, 2017, 11:11 am

People who genuinely believe McGregor will win are retarded.

haveafiletofish - March 17, 2017, 8:59 am

I don't normally watch these fights but holy shit can't wait for this one

Tommy DeVito - March 18, 2017, 3:21 am

Imagine if Conor beats Mayweather, he is a legend for sure.

I think if Conor manages to hit most of his strikes, Mayweather will go down.

UFC fighters punch way harder than Boxers

Sitting at 49-0, it has to be pretty enticing for Mayweather to reach a milestone like 50-0 by doing so against a guy who isn't a true boxer, all while making a ton of money for it.

Trixie1 - March 19, 2017, 8:09 am

The fight will never happen this shit is annoying, it's been over a year over this shit. Mayweather is just hyping some shit up to keep his ass relevant to the sport world.

And no true boxing fan wants to see this shit. If mayweather was coming back he should fight a top welterweight like keith thurman or some shit

reBELLYus - March 19, 2017, 8:17 am

Floyd is going to win the entire thing. McGregor does not know boxing.

Apparently it's been confirmed and a date has been set, lol.

Vitani - March 19, 2017, 8:26 am

I mean how can this be a fair fight if McGregor has to face Floyd in an entirely different sport. McGregor is a great MMA artist but I think he has little to no chance to defeat Floyd.

jesuscristocollege - March 20, 2017, 10:09 pm

Conner McGregor is so confident. That just makes the fights more interesting lol

atlanteam - March 21, 2017, 8:24 am

Floyd fixing to lose in round 2

jlelele - March 22, 2017, 10:39 am

mayweather is gonna destory him, mcgregor couldnt take on a teenage boxer lol

Ninja - March 23, 2017, 9:20 am

Conor wants to be overpaid for the fight and will never do it unless he gets what he's asking. It doesn't matter anyway because Floyd will 100% win. It's his sport and he has the skill for it. Conor doesn't realize that the guy has had YEARS of experience in his own sport.

Freeomfighter - April 19, 2017, 1:04 pm

I'd love to see Mayweather get put down.
