Thread: [Purple Rain animation - Prince Tribute](#)

?CARUs L?VE?™ - March 11, 2017, 9:34 pm

Hello all ^-^

Recently, I made purple rain in batch as a tribute to Prince ^-^ Enjoy.

If you want to make neat games like this yourself, you can see [Lot's of useful Batch functions](#)

CODE:

You and your batch animations man. ? Very nice, as always!

b00st3d - March 12, 2017, 5:53 pm

I'm a fan. Now get it to play the song ?

?CARUs L?VE?™ - March 12, 2017, 6:36 pm

I don't think I can get batch to play the sound itself, but I know I can pack the song into the source and play it via media player :P

Nixdorn - March 20, 2017, 8:39 pm

Lol this is soo good :D Thank man!

kenzakie - March 22, 2017, 12:11 am

what a beautiful batch i see

ImDeepWithWindows - March 22, 2017, 1:46 pm

nice, especially how u got the bottom line of the purple-commandprompt-window-outline to be there the whole time its showing rain, that takes skill i like that, good syntaxing too

STRILEXLIVE - April 11, 2017, 1:05 am

Thanks mate! Awesome haha =)

LegoStoppo - May 26, 2017, 3:34 pm

hey ?CARUs L?VE?™ i am lego stoppro i like your work you are good maybe you need a challenge , it is possible i have do it to create a advanced batch os whith the externe plugin "Batbox.exe" , here is my batch os

L0cky - June 1, 2017, 6:50 pm

haha it looks cool bruh. thanks

AccroHack - June 3, 2017, 3:14 pm

Pretty nice doe :D Batch is pretty complicated :/

?CARUs L?VE?™ - June 3, 2017, 3:31 pm

No not at all! If you want to learn anything about batch, just ask!

anouarr - June 4, 2017, 7:55 am

Nice animation thank you for sharing the code
