Even if there is hate being brought to the video, just use that hate to motivate yourself to go even further.

Don't think too much about hate, but it's pretty good.

The hoodie on the light skinned dude makes him look like a fucking giraffe.

Mula B. - March 13, 2017, 2:48 pm

I like this. Great work tbh.

Redwall - March 13, 2017, 2:50 pm

Too bad none of you know how to dress.

Yea, it's actually not too bad except for the part where it feels like the same thing through and through.
