Accounts will remain premium for the duration of my service, and each account is guaranteed at least 3 months

Baba Yaga - March 15, 2017, 9:13 am

Still offering this service. Feel free to PM me in order to get your own personalized premium Spotify account. No more sharing with some random stranger on a cracked account. Make your own playlists and don't have to worry about getting booted off your account.

I'd get a few of these, would you accept pp as payment?

Only accepting BTC as a form of payment.

If you are able to do this, then I would be more than happy to provide accounts for you.

Each account will last atleast 3 months? If you took PayPal I'd buy right now lol

MuggleStruggles - March 16, 2017, 3:04 am

So what I'm reading is basically you bought the 3 months for .99 deal that's going on and you're re-selling for \$3..not trying to sales trash, just that's what I'm inferring.

Hummel - March 16, 2017, 8:41 am

Added you on Skype, though I am conscious of the 3 month issue that has been raised, this could be one of those 3 month trial deals...

Powder - March 20, 2017, 6:27 am

Is this still available? ?

Hummel - March 20, 2017, 6:50 am

Added the seller on Skype 5 days ago, sent a PM also, no reply, guessing this isn't going to happen.

Replied to your PMs. Sorry for the inconvenience, but my Skype is no longer being used for contact. Only contact me via PM or email.
