Buy one, get one free of equal or lesser value, Not sure where its available or if its international.
If you go to their website, it should automatically ask you if you want that coupon, if not, then you can go here.

https://www.dominos.com/en/pages/order/?couponCode_0=9206&partnerCode=DOMINOS&so=hp#/locations/search/

Or just knowing where to put the code, here's the code: 9206
Hopefully if anyone is wanting pizza this week, or weekend, this may be a decent opportunity to grab a couple boxes.
