Why Legendary Cues?

- 1) You get extra XP per game
- 2) You get 35% coin refund when you lose a game. Eg: If you play in Las Vegas and lose the game, you'll get 3500 coins back.
- 3) They are really over-powered.

You can buy legendary boxes and open them to get cue pieces. You need 4 pieces of the same cue before you unlock it!
