Thread: [Akame Ga Kill](#)

pimpmyalpaca - March 16, 2017, 6:29 pm

Has anyone watched Akame Ga Kill? I personally think it is great anime to watch if you're into the action with a story type anime.

Deany - March 16, 2017, 11:53 pm

I'd cum all over my girl Leone t b h famalam

Who wouldn't

Sorun - March 17, 2017, 1:48 am

Esdeath didn't deserve such a happy ending

The manga is 20x better however the anime is so fucking emotional. Great art and action would recommend anyone it.

s?hane - March 17, 2017, 7:29 am

I remember watching it a year ago, it was amazing. :)

qwe123qwe - March 17, 2017, 7:49 am

To put it simple it was great but not amazing and its differs from people to people because its not suitable for everyone (not because of violence.)

Grievous????? - March 17, 2017, 7:49 am

I thought it was really good, Esdeath was best.

Esdese - March 17, 2017, 6:25 pm

I'd lick Esdeath's asshole until my tounge froze t bh fam

but yeah pretty good show

I remember 2 years ago i think, waiting all sundays for akame ga kill's episode , the last one omgg..

cool anime

xkashx - March 22, 2017, 10:31 pm

The anime was pretty good I'd say, just didn't expect ****SPOILER**** (Don't know how to hide or anything) tatsumaki to die, they build up the characters and then just killed them off, especially that girl who had her head cut off and put on the metal pole , rip all the characters you get to liking.

oscast - March 22, 2017, 10:32 pm

I want to watch it eventually, so many anime I have built up

Use

Code [spoiler]

spoiler stuff here

[/spoiler]

Hikky - March 23, 2017, 8:20 pm

Lubbock (the guy with green hair) was my fav, but nobody even mentioned him ; - ;
Overall anime kind of fucked up since they all die (almost like Attack on Titan)

Esdeath's titiehs <3

That's not how the manga ends and honestly the anime shouldn't have ended like that either.

Would you recommend the manga or anime more?

spooky skeleton_temp - March 24, 2017, 1:36 pm

Pretty good anime. The Manga was different though.

I loved the anime and I usually prefer the anime over the manga, however the manga has a much much better ending to me.

endlesstempest - March 26, 2017, 11:03 pm

it was a interesting anime, i really enjoyed its ending

I'm probably going to add the manga to the must reads, however I wouldn't recommend anyone read the prequel manga. Just read summaries of it or something for the backstory.

speedapple - March 27, 2017, 8:46 pm

It was pretty good, always liked these kind of shows where you're never sure if the characters have plot armor, some parts seemed a bit shallow though, but it was pretty good nonetheless.

Kristtik - March 28, 2017, 12:13 am

wow. awesome. i like this

SIM-3395440 - April 2, 2017, 3:16 am

I like it atleast in that anime Spoiler [\(Click to View\)](#) some character dies

Artbvibe - April 3, 2017, 1:12 pm

this anime stuff is really kinky and could turn u on really easily if only I could understand it. lol

Kyrus - April 3, 2017, 1:52 pm

The anime was pretty good.

Esdesse basically made me realize I had a foot fetish.
