Thread: [ug sticky bee trap team clan / squid](#)

spooky hacker - March 17, 2017, 12:41 pm

im making a hacking clan were we will going to hack take down sites and make them pay us for freeze and we will have a lot of members anonymous we can only take the most profesional hackers and if u want ehat u have to the table bring it out now we want sql hacks and ddos and dox let us now and database to

Gr3yWolf - March 17, 2017, 1:21 pm

Fuck it, I'm in. Where do I sign?

spooky hacker - March 17, 2017, 1:25 pm

we have program to send out code at random time . if ure got the code u will see its all thru protocols friends

Sajuuk - March 17, 2017, 1:53 pm

I already have the code. What do I use to crack it?

00god - March 17, 2017, 2:37 pm

this group seems too edgy for me, 2 much hacker for me. gl man!!!!!!

Exquisite. - March 17, 2017, 8:29 pm

i in th group.. i want hack to website,,we are going to hack win. thx for awesome group

You're one funny dude, Spooky.

Tree of Life - March 18, 2017, 3:40 pm

How Are You Bro? I Liek To Apply,, I Got DoS Program And Redy To Hack Bro. Can Plz Msg Me If I Join Bro Thanks Bro

Faith Connors - March 18, 2017, 3:45 pm

i got my loic and jaysbooter ready for double ddos power
send me invite pls tyty

spooky hacker - March 18, 2017, 3:49 pm

if u now how to code my sql attack send me a messege...
also r name is now squad black

.Satellite. - March 19, 2017, 4:52 am

I got my havij redy to take over big websites like NSA. How do join?
