Happy birthday brother.

& Nah you're not alone, ever since I was like 15 birthdays aren't important to me. Turning 21 next month and already dreading the fuss, hahaha. Anyway, congratulations on living yet another year in the cruel work, happy birthday mate.

Justvisiting - March 18, 2017, 8:02 pm

congratulations indian on making it to 20

you have outlived 80% of your poverty stricken country that poops on the street X

Grow up and learn to respect others. There are lots of indians which are billionaires. Main problem with India is that they have very corrupt leaders and overloaded population.

Angelus - March 18, 2017, 8:30 pm

Wow, congrats Grim, Happy Birthday to you

I remember the first time I saw you on this site, always thought you were a really chill dude, and my thoughts turned out to be true :')

Thanks for sticking around on here, you've truly made this site better

Trappy - March 18, 2017, 8:33 pm

His profile says he's 24 haha

happy birthday grim!

Happy birthday Grim!

I know what you feel, it's the same with me. You get one year older, how is that celebration-worthy? Anyway, I use it to spend some good times with my family and near friends.

Odd Future - March 19, 2017, 8:52 am

Was he really that young the whole time, wow.

SIM-3471851 - March 21, 2017, 3:25 pm
