(Mar 20, 2017 07:14 PM)Quinck Wrote: [\[CITE\]](#) Vouch Review

This ebook was incredibly easy to follow. It is for beginners to learn how and where to trade alt coins in order to profit. The book tells you about sites to use and gives you a direction on where to go to learn which coin you should invest in at the time.

You will easily make money from this ebook if you follow the steps in the book and do a little research.

He has included a few strategies that span from extremely risky, to very safe. Of course the risky

methods will earn you the most, but can also lose you the most. With this ebook, you should be able to tell what is going to earn you the most.

Good luck with sales!

(Mar 20, 2017 07:23 PM)Druze Wrote: [\[CITE\]](#) Honestly I love this ebook, it will give beginners all they need to jump into the world of altcoin trading/investing

It has different methods some riskier and some safer to suit your needs

Its well thought out and an easy read I highly recommend this to anyone who is looking to get into altcoins

Maybe as you know, all ebook you may purchase on HF for doing money are totaly retarded and shitty.

This ebook is the first I've seen that is totaly legit. When you're a kid your mom learn you how to eat yourself, this is the same thing with this ebook, it will just learn you how trading work nothing more but it will help you how to start properly without do the most biggest miskates that you could do.

This product and this guy got totaly my vouch.

>> Frequently Asked Questions <<

What is a coin recommendation?

A coin recommendation is a coin that I personally believe will have either a short or long term increase. These are purely opinions and I recommend you conduct your own research of these coins so you understand what you are investing in.

How much do I need to start trading?

You can start with ANYTHING! I started with \$50 and I was able to trade alt coins and get to \$2172 within a week and a half. I used that money to pay for a MacBook Pro which now allows me to trade wherever I go. :) I am continually making money from alt coin trading at a steady speed and would like to spread my knowledge to all of you.

Can this be saturated?

NO! It cannot be saturated, the methods included have no chance of saturation.

Will I need Paypal to use these methods?

No, unless you are purchasing BTC with Paypal, you will not need to use a Paypal account at ALL!

How do I know what coins you are recommending?

Once you purchase the Ultimate or Premium Package, msg me on HF, Skype or Discord and I will invite you to a Telegram group which is where you will find the coin recommendations. :)

All sales are final.

SIM-2508228 - March 19, 2017, 10:12 am

If you choose, my offer still stands ;)

Either way glws

2073436 - March 19, 2017, 10:14 am

He just showed me more earnings on skype! Damn!

poisson - March 30, 2017, 11:11 am

Disclaimer: I received this ebook on a discount.

It's a good ebook if you're interested in getting into crypto trading. Mr. Aesthetic does a good job on

explaining different terms you'll encounter venturing into trading. The ebook goes over a couple different trading strategies--none of which are particularly advanced or "private", but they will definitely give you a head start. The strategies amount to ~700 words in total. For \$20, I'd give it a 6/10 in terms of value since most of it is public knowledge.

SIM-2875347 - March 30, 2017, 1:16 pm

Sending you a PM. Please get back to me thanks :)

Exchange.Service - March 30, 2017, 1:50 pm

Thank you!With my strategies, you can't just automatically begin making money. You need to do research and actually put in effort, and the outcome from that can be insane amounts of profit. :)

XTR3M3_XPL01T3R - April 1, 2017, 3:18 pm

Looks cool, btw is there any success stories from the users who actually bought ?

yung dagger dick - April 1, 2017, 4:26 pm

(Apr 1, 2017 03:18 PM)XTR3M3_XPL01T3R Wrote: [\[CITE\]](#) Looks cool, btw is there any success stories from the users who actually bought ?

I have had some people who bought via PM who would rather not disclose their earnings, show me proof of earnings.

Since my eBook is also pretty new, not many people have gotten the chance to begin earning the money that they deserve.

Backupsdkaart - April 2, 2017, 4:44 am

Whenever I go the download link it says: "Sorry, but your ip is not auhorized for that link".

I'm not able to send you a PM yet, but would you be able to help me with this one? :)

French Products - April 2, 2017, 1:57 pm

If I'd to do like in a trollbox I could trash it for keep all money for me, but I can't.

Maybe as you know, all ebook you may purchase on HF for doing money are totally retarded and shitty.

This ebook is the first I've seen that is totally legit. When you're a kid your mom learn you how to eat yourself, this is the same thing with this ebook, it will just learn you how trading work nothing more but it will help you how to start properly without do the most biggest miskates that you could do.

This product and this guy got totally my vouch.

yung dagger dick - April 2, 2017, 3:31 pm

What research actually? Does this ebook provide just 'how to trade' like many other poloniex tutorials? What about 'when' and 'which'? Any guarantee of earnings?

yung dagger dick - April 3, 2017, 2:58 am

(Apr 3, 2017 02:34 AM)AlphardPope Wrote: [\[CITE\]](#) What research actually? Does this ebook provide just 'how to trade' like many other poloniex tutorials? What about 'when' and 'which'? Any guarantee of earnings?Research for potential investments.

Obviously doesn't guarantee any earnings because the alt coin market can be very volatile.

EasyPeasy - April 9, 2017, 3:53 pm

I wonder if I know this trick, cryptocurrency/btc is a pretty big industrie man.

jordan0159 - April 9, 2017, 6:11 pm

Vouch for my Mr Aesthetic and his product. Ebook is well written and of high quality containing multiple tactics weighing up various risk/rewards.
On first glance there are no apparent grammatical and or spelling mistakes and most importantly of all if you use your head you are pretty much guaranteed to make money. Altcoins are only growing as the day goes by so no time like the present to get your toes or your whole body wet and this ebook is a great chance!

Deca Dura - May 7, 2017, 8:14 pm

Dude, i wrote you a PM and added you on Skype to get the invitation to the Telegram group due to my Premium purchase of your eBook.

Please check your Skype and add me their OR PM ME PLS.

young dagger dick - May 23, 2017, 1:52 am

Selling once again!

Get yours now. :)

young dagger dick - May 25, 2017, 4:22 pm

Online and ready to answer any questions!

Just shoot me a PM. :)

BrandonBoyd - June 1, 2017, 9:44 am

Do you have more buyers vouches?

Thanks!

MegaPipsa - June 4, 2017, 8:03 am

I just ordered

Package: Ultimate

Method: PayPal

Trans ID: 1c8490533fd4

V2 of the Altcoin Trading 101 is now in the making.

A lot of changes have been seen in the market so this will allow buyers of Altcoin Trading 101 to get a more updated insight into trading.

badsheep - June 4, 2017, 6:18 pm

motafota - June 25, 2017, 9:52 pm

Can anyone report their earnings?

BrandonBoyd - July 21, 2017, 8:02 am

I talked with the OP the other day, hes very friendly but i think the post its kind of junked and getting outdated, hopefully he can take it back soon.

ThanosTitan - August 11, 2017, 4:11 pm

Yung Dagger Dick - September 30, 2017, 8:59 pm

I am back to selling this.

New version coming out soon, all previous buyers will receive if they simply PM me.

Paypal is not accepted anymore.

Yung Dagger Dick - April 28, 2023, 8:09 pm

Starting this up again.

Expect a total rehaul.

I'll open a new thread soon. This will remain closed.
