Because OP is a dumbass.

Wompus - March 19, 2017, 4:12 am

all I see here is just a lot of red jizz crowding my page.
Just remove it and post the uncensored.

TB12 - March 19, 2017, 4:22 am

The censoring makes it impossible to tell if this is legit.

Not an argument

Why couldn't you just PM staff instead of making this useless thread

M?xim - March 19, 2017, 4:38 am

Dude, you probably believe that you are a hero now for exposing someone, but frankly, it is not a big deal. Just do it the right way, send a private message to a staff and do it the right way. Everything you need to know is kn the [Help Docs](#).

You are just a mess.

Anyway, if you have Onsite Proof: Private Messages, posts on Hackforums.net about someone asking for reputation. Hit Omni with a Private Message.

Read what Mr Kewl wrote after me. What he said corrected me, only Omniscient deals with rep.
