Thread: [Would you get fucked in the ass every day for \\$100k/year?](#)

Alexander - March 19, 2017, 7:20 pm

Imagine being able to relax all day, not worry about money, and enjoy life - except for 30 minutes of daily ass fucking. Let's say it's a 40 year old man with an average dick.

I'd take this deal in a heartbeat. How about you?

If you say no, could you please state what occupation you are currently in and approximately how much it earns you?

Classic™ - March 19, 2017, 7:21 pm

30 minutes is a lot. i'd do it for a bit less of time

Kaleb™ - March 19, 2017, 7:21 pm

Definitely would no doubt. That's a pretty good amount of money.

Ace of Knaves - March 19, 2017, 7:22 pm

Not a chance in the world I would go for this

synboxin - March 19, 2017, 7:22 pm

I would not, I could get a job that I enjoy and get that much if not more a year.

I would not enjoy being fucked by a man so I would have to pass on that offer.

sm?ked - March 19, 2017, 7:23 pm

No I would prefer to not have a crater in my ass so no ty

Why not? Perhaps you already have money. Personally my income right now is at approximately \$5 a year.

Ytube - March 19, 2017, 7:25 pm

Only if they do payments with btc.

Well, that's an unknown variable. If you're concerned with that, I would just state in a post that I would do it, but only if he doesn't cum inside.

Terror ?quad - March 19, 2017, 7:32 pm

fk no are you gay bruh????

Grizzlies - March 19, 2017, 7:33 pm

So your saying become a pornstar? Better contracts far from that.

?ndrew - March 19, 2017, 7:33 pm

Yes realistically it will only be bad for the first couple of days

Egregious Jr. - March 19, 2017, 7:33 pm

No, in this case nobody has to know. Also it's the same man every day. And you don't have to perform for the camera, do weird angles, etc.

Gustav. - March 19, 2017, 7:35 pm

What the fuck is this gay shit.

CBHF - March 19, 2017, 7:38 pm

I mean once a year for \$100k isn't bad but every day..... Nope

?Synapse - March 19, 2017, 8:38 pm

Tech - March 19, 2017, 9:53 pm

Of course, why the fuck not. I mean sure you gotta bend over everyday but if you had \$100k a year plus another job you'd be a rich as mofo

Nate - March 19, 2017, 9:56 pm

Bruh once a day, aint even that bad. 100k a year? No taxes? get another job too. I'd do it for like 3-5 years save up, while working another job on the side. Like do it so im able to pay off my own house and my car and have some left etc

Talent . - March 19, 2017, 9:56 pm

Fuck it , I would be down.

Just as long as I could keep it secret.

For 30 mins a day. After awhile and I get used to it, I can just bend over and browse Facebook or Reddit till he's done.

I would still prefer to keep it that way rather than getting fucked in the ass for money lol

NoodleBot™ - March 19, 2017, 10:36 pm

Everyone starting their career is doing this already. And they will continue to be fucked in the ass for the next 40 to 50 years until retirement.

There are sluts doing it for less, it's just smart business.,

Baked - March 20, 2017, 2:55 am

OP are you under 18 and getting preyed on by a 40 year old man?

The only way this question comes up is if you have the offer from a rich man; you're taken care of fully but fucked in the ass every day.

Can you still have girlfriends and shit? Or do you have to live with the man and when he wants to fuck you he does.

Or like can this be dirty back alley shit?

2073436 - March 20, 2017, 3:23 am

No thank you, this isn't morally correct in my situation. I'm not gay.

I wouldn't enjoy 100k per year knowing I will get fucked before going to bed or w/e.

Not even for \$100M per year.

Kaleb - March 20, 2017, 3:34 am

I'm going to have to go with a no on that one. I'd rather be broke than a male prostitute.

Plus you're going to need to come up with a decent cover story or your family will find out eventually and forget about finding a significant other unless they have fucked standards** or you're already a fag
