? Yooo you have to watch the trailer!!! It's a remake of the original

**Firefly969** - March 21, 2017, 8:51 pm

Part of it was filmed where I lived a few months ago. kind of forgot about it

This is power rangers to the extreme though. This is way better than what we were watching when we were 10 years old. You really have to check out the trailer if you ever were a fan!! ?

That's pretty cool.  
There was a movie filmed in my area a few weeks ago.

Your signature is hilarious by the way.

lol there's no way I'm letting anyone rain on my parade about this though. I'm super excited about it. The trailer makes it look like it's gonna be pretty tight. I'm keeping my expectations pretty level though that way I'm not too disappointed if it turns out to be bad

I literally just watched the trailer and it does look sick af, gave me goosebumps. I used to love power rangers when I was a kid so now i'm def gonna see the movie

Also I lost my shit when that girls mom was like "PEE IN THAT CUP!" ?

**Sinned.** - March 21, 2017, 8:58 pm

did not know about it, but just watched the trailer and it is sick.

? yes!! If I didn't see the trailer, I would've been pretty skeptical myself. But it looks like it's gonna be good. I've already preordered my tickets lol

I'll tell you now, this movie will be under a 7.0/10 rating on imdb.....trust me on that I can tell from the trailer

Well I saw the movie last night and really enjoyed it. Regardless of the rating on IMDb, I believe it was really good and intend to go see it again.

**spooky skeleton\_temp** - March 24, 2017, 1:28 pm

Watched the whole trailer and didn't look that appealing and pretty cringe.

**NurSpec** - March 24, 2017, 1:29 pm

It actually doesn't look too bad but I hate when they do this to old, once were good shows/movies.

**Dan Siebels** - March 24, 2017, 2:42 pm

i think you are the only one who is excited.

You should go see it. I think you'll like it. The timing... the personalization... the action... it was surprisingly good. Despite what these critics who haven't seen it or stuck in the 90s, are saying, gonsee for yourself. I think you'll be pleasantly surprised ?

**Archeery** - March 25, 2017, 1:43 am

I have a friend, Power Rangers is life to him. He's 25.

**Billie Joe Armstrong** - March 25, 2017, 3:14 am

The movie was good.

Posts on Instagram gave me a spoiler about Trini's sexuality though.

Watched it just to see if it's true.

lol

lol

The entire time I was watching it, I had no idea. ???

**ganjino** - March 25, 2017, 10:28 pm

it isn't gonna be good unless theres lots of explosions, blood, and a few sex scenes

**pnda** - March 25, 2017, 10:29 pm

Just got back from watching it; wasn't terrible.

**LASD** - March 25, 2017, 10:34 pm

I remember they used to film the power rangers in my city back when the show would air. We would always see them out and about in the city since our city was relatively small. They were all really cool except for Tommy. That dude wanted nothing to do with the fans

**ganjino** - March 25, 2017, 10:43 pm

was not aware that it was already out

can anyone confirm if there are any explosions, blood, and/or sex scenes?

There was explosions, but no blood or sex.

**MikeTechSecurity** - March 25, 2017, 11:26 pm

**Inglor** - *March 26, 2017, 11:26 am*

I don't know why they are trying to revive the power rangers tbh.  
Seems kinda out-dated at this stage.
