Thread: [CLEAN & SMOOTH THREAD DESIGN | FULLY CUSTOMABLE WITH .PSD - FONTS | ENJOY IT](#)

| KHALIFA | - March 24, 2017, 6:02 pm

Hello HF here I am, ready to start sharing with you all my GFX work since I love making thread designs.

What you'll find in the download is the fully customizable .PSD, Fonts used & preview hope you like it.

Its free to use and you can do what you want with it, also it would help me a lot if you dont delete the final watermark since it doesnt affect to customers but as I said do what you want with it is it FOR ALL OF YOU GUYS! ??

Thanks to all. ??
