Honey S?ngh - March 25, 2017, 11:52 am

It's like a dysfunctional family with everything included even the racist uncle.
You guys are fucking awesome never change <3

Deany - March 25, 2017, 11:56 am

It's more like a special ed class

Cha0 - March 25, 2017, 11:58 am

I couldn't have said it better myself. Have some apples.

DarkCart - March 25, 2017, 11:59 am

More like a classroom full of 12 year olds constantly "hacking" each other, with the intelligent adults/programmers off getting a beer.

ElfBot - March 25, 2017, 12:01 pm

yeah and the awkward lil bro who stares at your tits 0.0

severos - March 25, 2017, 12:04 pm

If HF is like a family, who's the youngest kid that annoys everyone but still get spoiled?

If every member on hf was in a school I can 100% guarantee that the teachers would either quit or shoot themselves

Well, lets make a 'back to school' event where all members go back to their schools (or simply go if they're still in school) for a week wearing a shirt with their HF name on it... and let the sarcasm begin XD

if you wanted to be in the hentai club all you had to do was ask

juulstar - March 25, 2017, 12:15 pm

If we were all in a room together, we'd probably make a plan to take the government down and to

rule the world.

:/

I think we drove our teachers to be alcoholic due to our pranks like reverse connecting break and gas, the switches to turn on alarms etc xD

Understatement of the year.

Yin Yang - March 26, 2017, 12:28 am

True statement. But I do love you all <3

ZerFallen - March 26, 2017, 12:46 am

Hack Forums is like that one family member who's slightly deranged, awkward, and paranoid who the family ex-communicated years ago, but I still sneak away to hang out with because they're the only family member who will butt-chug a fifth of vodka with me.

BR?ND?N - March 26, 2017, 3:22 am

Can I be the racist Uncle? I mean, I'am an Uncle...and kinda racist.

Hiper - March 26, 2017, 4:16 am
