Thread: [Eclipse - Meme Off \[BEST MEME WINS AN AWARD\]](#)

Views - March 25, 2017, 12:19 pm

Eclipse decided it'd be nice to get our upcoming events started with something a little funny.

Eclipse will be giving a special award to whoever can craft the best meme from scratch it must be a Hack Forums meme but anything goes as long as its Hack Forums related and doesn't violate the rules, you may enter with memes created prior to the start of the contest as long as you can prove your the original creator originally we only allowed fresh and new memes but with a change in our ruling we can have more laughs.

We allow unlimited entries per person although if you spam the thread with trash memes you could be disqualified.

Eclipse will decide a winner within the first week of April.

Ra1d has won the Meme Off!
