Thread: [50,000 YouTube views for \\$15USD | AUTOBUY | SAFE | FAST |](#)

Mitch - March 27, 2017, 3:04 pm

Hey, I am selling you 50,000 YouTube views for \$15usd Bitcoin.

These views are:

- SAFE
- This is bottled, but looks real to YouTube
- Fast, average delivery of ~3 days

[Click HERE to purchase](#)

(I don't have time for a fancy thread design ?)

Is there a vouch copy available?

Visualize - March 27, 2017, 3:46 pm

Are these high retention views?

yo motch are these bots are real viewers

BoliBerrys - March 27, 2017, 5:29 pm

Are they HitLeap, otohits, or something related?

If they are Hitleap, do you have premium hitleap, Were you can choose its location?

100% bots. Not real people. This service is strictly for view numbers going up, these will not work on AdSense or have high retention
