Thread: [Supreme Captcha Bypass](#)

BBSimmons - March 27, 2017, 5:59 pm

This method will eliminate Capthca one hundred Percent.

You can leave your bot running at home while at school or work and it will work!

PM me to get this method.

If there's a way to completely bypass captcha, you'd think it'd originate elsewhere of Free Services and Giveaways section of HF. If this truly works, kudos to you OP.

If I got it for free I feel like it would be wrong to sell.

Just use 2captcha and harvest 2 minutes before 11 AM? Thought this was public already
