raider_pride179" Wrote: [\[CITE\]](#) I was thinking the same but honestly I've made some good money recently and decided what the heck and purchased. Let's just say with high price comes high quality.

The quality of this ebook is literally unbelievable. 9 pages with like size 12 font and there are images etc to very clearly explain everything. The manual methods themselves definitely make sense and I doubt I am ever going back to scripts. Money is much faster and safer plus when you play with Vapes method you can always ensure that the bonuses are bringing you in extra profit at the end of the day.

Anyways holy crap lol I played for 3 hours and this was the result:

Bailable Wrote: [\[CITE\]](#) Did a 13\$ investment, gained 10k+ bits already!

The method is 25% skill, 50% instinct and 25% luck!

Works well, not sure about the ultimate package, you can lose with this, but that's where instinct comes in =)

Predicting helps, a lot!

JizzleWizard Wrote: [\[CITE\]](#) UPDATE: I deposited 64k bits and am now almost at 1 BTC profit! This method is something else....

desco_pj ' Wrote: [\[CITE\]](#) Definitely the best method on the market by far. Deposited \$65 today and came out with \$525 in no time! Will update as I continue to earn!

Mad76e ' Wrote: [\[CITE\]](#) Decided to purchase this method because everyone has been talking good things about it. No word of lie I have profitted over \$1k in the past day with this thing, I was literally shaking when I realized how much I've made. AMAZING METHODS....

>> Frequently Asked Questions <<

Q. Why is the price so high? This seems overpriced.

A. The price in my eyes is actually still low considering how profitable these methods are. This isn't some random write up these methods are seriously backed with research from experienced Bustabit players.

Q. Does this work worldwide?

A. Yes this works absolutely anywhere in the world, you can even use a mobile device!

Q. What age do I have to be to use this?

A. There are no age requirements you can get right to using this no matter what age!

Q. Is this difficult to use/setup?

A. No you can get earning right after purchase. There is no setup required so profits are nearly immediate!

Q. How much can be earned with this method?

A. This can all vary, generally you can earn \$60-\$200 an hour based on your investment. It is very well possible to earn even more then that, this can be scaled!

Q. If you are profiting why are you selling the method?

A. This method can never be saturated which means selling it doesn't hurt it, I am quite new to hf

and would like to expand my knowledge while still earning an extra buck on the side as well. Finally most importantly I am currently looking to purchase a nice car so the extra income takes care of my bills while my profits from this method go to my car funds.

Q. How does this work?

A. Bustabit technically has 2 games running per round. It is Player vs House and Player vs Player. The method takes advantage of player bonuses thus creating an overall odds advantage allowing for constant long term profits.

Q. Which package should I pick?

A. In general terms I always recommend going with the squid package. The extra method is actually useful and very profitable as well plus the support and extra features really help out a lot. The method is a lot more explain too.

Q. Can I expect steady earnings?

A. Yes it is very reliable but remember gambling is never certain. You should see something along the lines of this though:

-DMS- - March 30, 2017, 8:06 pm

IF you can really earn thousands a day, why would you sell this unlimited for only 30\$?

if this is true i can easily earn \$1000-\$2000/day? that's about \$30.000 - \$60.000 each month i can earn?

Yet this only costs 30\$ i really don't understand looks a lil bit sketchy can you please clear things up for me xd?

Edit: some people earned thousands within a few hours? Does this mean i can make \$500.000 - \$1.000.000 every month with this for only 30\$?

if this is all true i will purchase right away so hoping it really is & hoping to hear something soon.

sourdiesel87 - March 30, 2017, 8:22 pm

I've seen this for sale multiple times from different people. I'm interested but a bit skeptical. Will wait for some more reviews.
