Excited that they will finally continue the adaptation!

Looking forward to watching it. Been following this series since there was only 2 chapters translated lol.

**Realizm** - March 29, 2017, 2:48 pm

I'm excited for this, I've already watched the first season twice lol.

I see Angel is getting the jump on all of the good discussion threads xD

**Pers0na** - March 29, 2017, 6:44 pm

My new favorite show next to tokyo ghoul cant wait :)

**recv** - March 29, 2017, 10:43 pm

Yesssss gonna be so great. One of the few shows this year I'm depending on this year to not disappoint, besides OPM season 2 but I don't think there's an official date for that yet.

**skelly76** - March 30, 2017, 12:18 am

Can't wait for this, hopefully 10/10.

Just watched first episode gave it 9/10

They changed some of the cast however still pretty good. It is set 1 day after the original series. Now time for the predictable arena arc.

**???ro** - April 3, 2017, 12:07 am

HEY! Look Mom! I'm on TV!

**afro-rain** - April 3, 2017, 9:34 am

I just watched the 1st episode of the 2nd season. I can't wait for the next couple episodes

**Realizm** - April 3, 2017, 9:36 am

Decent first episode, definitely meant to set the pace and tone for the arena arc. I'm excited to see if the main character can control his quirk finally.

**Realizm** - April 8, 2017, 6:48 pm

Episode 2 is coming today, I haven't checked if it's on the site I usually use. I'll probably check tomorrow.

**Mafty Navue Erin** - April 8, 2017, 8:33 pm

Second season is pretty great so far. Hopefully this becomes as lit as season one.

**Mr.Cat** - April 9, 2017, 4:24 am

Honestly it is barely watchable for me... It has some good moments but the emotions are not real.. I still watch it tho but i am not really very exited about it

**fiz1987** - April 9, 2017, 4:25 am

I just watched the 1st episode. I can't wait for the next ..

**Acel** - April 9, 2017, 5:24 am

Idk the show feels really slow to get going, and it's not the same as the first season but it could all change throughout the season

**Realizm** - April 9, 2017, 2:36 pm

I kept seeing tournament remarks and whatnot so I thought this would be like 1v1 arena fights which I'm sure will happen for the final rounds. But I was surprised as to how they are dwindling the numbers in the beginning.

Good 2nd episode, I'm glad they're focusing more on the Ice/Heat guy, and I'm excited to see if the main character has learned some tricks to help control his power.

**Yui-Senpai** - April 9, 2017, 3:17 pm

epp2 started to get interesting and then it ended :/ 1 more week, 1 more episode.

**Corrupt3d** - April 9, 2017, 3:19 pm

anyone

who talks shit

about this anime has a mental illness

i cried last ep of excitement

**Realizm** - April 14, 2017, 11:25 am

I might have to drop this until it finishes. I agree that ep2 had a lot of build up with absolutely nothing

for us at the end and made us wait for ep3. It's great, and it brings me back for ep3 for sure, but I'd rather be able to see it all.

**TheBoilnTheCrib** - April 15, 2017, 10:02 am

I can't wait!! It's going to be great, and look's pretty promising.

Epp3 was CRAZY, can not wait for round 2.

**dat soulful1** - April 15, 2017, 10:08 am

I feel like I enjoyed this show better binge watching then week to week. I think I might do that for this season. I had better experience binge watching with one piece then watching each week as well. Thoughts?

**Hunting Rifle** - April 15, 2017, 4:12 pm

Only one other show I'm enjoying as much as Hero Academia this season.

**Mr.Cat** - April 16, 2017, 2:23 pm

not gonna lie episode 3 was amazing.. The anime started week but it gets better everyday. Wow shit, cant wait for episode 4 now...

**xShadowAlk** - April 17, 2017, 11:32 am

I love this anime. Its one of the only 2 anime this season worth watching... The other being Attack on Titan.

the one thing i hate is how slow the manga to anime adaptations take. i do understand they need to take time because you dont want them to look like shit it is just really hard to wait for them soo long when you really want to see how they animate some of the scenes you see in the manga
