Thread: [Caught smoking weed..? Not sure! READ my story](#)

Internal Affairs - March 29, 2017, 11:54 pm

So... I wanted to quickly smoke my joint so I did it in front of the cars, I was at the garbage. So I hear someone coming and I know the joint is almost out so I step on it and throw my shit under far away cars like eye drops and shit. And then I pass by the guy who was coming down, my mom's best friend's son, he's like 25. He probably smelled it off me cuz I was literally just done smoking. I am a junior in high school btw. Anyway when we pass each other he sees me eating a piece of gum (weed smell) and then goes to the garage, where I had smoked. His car is about 20 feet from where I smoked. He comes back up as I'm about to enter my house, behind me, sees me putting another gum in my mouth and goes in his house and comes out 8 mins later and goes wherever he was going

I'm very faded rn and wana know if I'll be homeless tomorrow.
Think he told his mom? If so she will tell mine. Answer with only BRUTAL HONESTY

I'm turn I'm scared because

- he coulda smelled it off me
- could have smelled it at the garage
- saw me opening a lot of gum wrappers
- why did he come back up right after going to his car? He stayed for 8 minutes, coulda said something

Honestly not that big of a deal at the end of the day. If you have to, just come clean. If weeds controlling your life and negatively impacting it - then it is a problem. If it's some you do once in a while - I don't see the issue.

OP you are fine, just admit that you smelled it aswell and that some guy was walking by smoking a joint.

Smexy - March 30, 2017, 1:18 am

I got caught aswel, they did care but did not take anything from me. c:

Raz Riverblade - March 30, 2017, 2:31 am

Wut?

In short: you're fine.

Ytube - March 30, 2017, 2:43 am

I bet you haven't even smoked multiple blunts in front of a cop car. I can't help a wimp like you out, sorry haha.

Aqzxk - March 30, 2017, 5:02 am

I think it's all just you being paranoid. Relax. If you get caught just tell them you're smoking a fucking plant and just go off.

lucky. - March 30, 2017, 5:23 am

If he did tell her, she will probably tell your mom because of how old you are.

Only reason he would is if he just wanted to mention it, like I really doubt he gives a fuck if you smoke or not.

Dabby Duck - March 30, 2017, 6:10 am

i doubt a 25 year old is going to snitch on a teenager smoking weed lol

TrackPro+ - March 30, 2017, 8:32 am

As suggested previously, if you're scared to get caught then just stop smoking. If he did tell his mom and your mom finds out then come clean and tell her that you smoke every once in a while but you're not an addict. From the looks of things, you have an addictive personality and you should try to manage your habits.

Did you get caught? No. Just play it cool and move on with your life, who cares if you did or didn't get caught, no one.

mazyoona - March 30, 2017, 8:51 am

As another member said you can easily swing this of by saying you saw/smelt a man with a joint walk past you and it was purely wrong timing.

I'd be more likely to try and justify me smoking than use that excuse. It's not the most believable thing.

ablationvector - March 30, 2017, 1:55 pm

why does the topic look like a click bait ad

Internal Affairs - March 30, 2017, 4:05 pm

Just got back from school and my mom is acting normal, she woulda said something if I got burned so I guess I didn't.

Phew, was scary af

Casads - March 30, 2017, 4:07 pm

Dude chill you're paranoid for nothing.

Silence - March 30, 2017, 5:30 pm

The weed is making you paranoid, I can tell boy im high right now

Fresh Khalifa - March 30, 2017, 5:35 pm

It's funny because he could just make up something and he wouldn't get in trouble. Instead he makes some shit post on a forum crying out for help instead of plotting a excuse.
