Thread: [So what you think Omni gonna do this April Fool's day?](#)

Captain Steve Rogers - March 31, 2017, 10:47 am

Title says it all, Last year I think it was Rep Kill.

tuNNelZ - March 31, 2017, 10:47 am

Probably nothing. Since everyone knows about it.
Or just the same ol tricks.

NotoriousMoneyMaker - March 31, 2017, 10:48 am

I haven't been on this website for around three years, it's great to be back. I don't know what Omniscient will do. I do know what pornhub will do, however.

bzr? - March 31, 2017, 10:50 am

Past few years it's been the same one I think. Wonder if there will be a shake up this year. ?

synboxin - March 31, 2017, 10:50 am

I'm pretty excited to see what happens here on April fools

Vittorio - March 31, 2017, 10:51 am

You'd be surprised how dense 'some' people are here.

OT: Some fake new feature.

Germany69420 - March 31, 2017, 10:54 am

It would be so fun to just shut down HF for a day and get a lot of people salty.

Your rep kill was the April fools joke.

But it wasn't reverted, the joke is taking so long.
Just like my dad's joke when he said he's leaving. He never came back.

Want to see some chaos. ?

verydank - March 31, 2017, 11:22 am

I don't think that would happen for obvious reasons, I could see him disabling the reputation system
or temporarily junking all posts or something lol.

Egregious Jr. - March 31, 2017, 11:25 am

I personally can't wait. The rep fuck joke last year was pretty funny, I can't wait to see what he has in
store for this year.

Maybe he'll send all perm denied ub3rs approval messages, and all ub3rs perm denial messages
lol. That'd be pretty funny.

J?son - March 31, 2017, 11:26 am

i hope he closes BlackShadow for a day

TB12 - March 31, 2017, 11:33 am

Pretend to unban some famous awful members that have scammed and have pissed a lot off. So many people will get triggered.

F?cqlé?? - March 31, 2017, 12:14 pm

Whatever he does will be an obvious April Fool's joke. Hopefully he can come up with something unique but it's going to be hard when everyone is expecting it.

Heart - March 31, 2017, 12:18 pm

everyone seems to throw a bitch fit when he does the rep kill thing lol

(Mar 31, 2017 10:51 AM)Vittorio Wrote: [\[CITE\]](#) Hopefully ban anyone with the Brony Award for a day.

support!

Ramsay448 - March 31, 2017, 2:07 pm

I remember when Omni put a message up, so that when you logged in you were great with a PM saying "Welcome to the Staff Team".

Now that got some people going ?

Charger - March 31, 2017, 2:08 pm

Reset perm denied uber but don't let them actually reapply.

I'd probably cry.

He's done staff, rep kill, hacked, and fake shell before so we'll have to see.

SIM-297877 - March 31, 2017, 2:29 pm

Just sells HF, and everyone thinks its a joke... it wont be.

Stoke - March 31, 2017, 2:29 pm

I think it'll be the good old repkill one.

Despite him doing it for the past 2-3 years, it still manages to get everyone.

rsx - March 31, 2017, 2:29 pm

What if the big april fools joke is that there is no april fools joke

Mind = Fuck

Never knew April Fool's on HF was this cool, I just discovered by reading this thread. Now you've got me hyped.

yotoprules - March 31, 2017, 2:36 pm

I think that he should rep kill like usual, but the next day he should do something bigger, like make the forum completely broken so every post in the wrong section or something lol

F?cqlé?? - March 31, 2017, 2:43 pm

April Fool's joke is that the joke will actually take place on April 2nd.

That's it. That's the joke.

Prophett - March 31, 2017, 2:45 pm

Even if Omni does something, this thread has created so much awareness

DoubleClickBTC - March 31, 2017, 2:46 pm

I feel sorry for people who actually get rep killed on April fools day and it never goes away

M?xim - March 31, 2017, 2:56 pm

He is gonna send a message with the title "Invitational as HF staff" and trick everyone that they can become a staff.

Or, you will be redirected to a banned page when you login and the reason will be "Scared?".

Or, you will have a pink name and the admin userbar but it will only be visible for yourself.

M?xim - April 1, 2017, 8:53 am

Hm. Figured out another thing he could do.

Make a thread in RANF saying like "It is to my acknowledge that <name> has..."

Where <name> is your name, it grabs your name who is viewing the thread and replaces it with <name>. Something like that would be fun.

Heart - April 1, 2017, 8:56 am

wow imagine he lets me reapply for uber and perm denies me again hahahahhaa

Maybe there will be no joke this year?
Time will tell...

GHO57 - April 1, 2017, 8:59 am
