Vouch for my man Chax. Got a good service before!

PHANTOM - April 1, 2017, 9:50 am

I just got the method

Considering the method, the price is good and you don't need too much effort on getting hundreds of likes on your posts

I think it only works on your profile I haven't tested with other people's posts

OP sent me a vouch copy, so heres my review.

The eBook is very well written and detailed. I thought its goin to be another hard asf method but this one only takes about 5 minute and you can do it without any issues and bans. OP has also given many sources that are pretty new and I'm sure they are authentic. Huge vouch bud! GLWS

Reticulum - April 1, 2017, 10:55 am

I received a free vouch copy,

The methods inside are very clear and to the point, if you're looking to get a few extra likes to get posts rolling this is definitely something you should be checking out. I'm currently in the process of the testing the methods to see if the sources are authentic but at face value everything is extremely solid.

Hammer prod - April 14, 2017, 6:36 am

Just bought the method, waiting on it to come through.

Also advertise it as 2.36\$ not 2\$

Since overall it takes 2.5\$ after tax

I adjusted the price and can't fix it. Because when someone bought it for 2\$ I only get 1.62\$

Sorry about that, I need this for my upgrade

Hammer prod - April 14, 2017, 10:37 am

Got this method, half the resources don't work.

The other few Do, I'd like to say I knew of this method and similar sources, so it's pretty much a public method.

My honest review
