Thread: [Looking for a partner with good ideas / skills](#)

Grievous????? - April 1, 2017, 10:23 am

I'm looking for a partner who has good ideas, and or skills.

I've got money to put into some projects.

Cultivation - April 1, 2017, 11:28 am

I have many good idea's and great web application developing skills. If you would like you can message me at anytime. :)

Knowledge. - April 1, 2017, 12:10 pm

We could setup a SMS Spoofer PM me with skype if you want more info

Layout - April 1, 2017, 3:47 pm

Would be cool if we could have a hosting company or a service together.

Shaytan - April 1, 2017, 7:15 pm

Contact me I have plenty of projects I've already invested in looking for another investor. Have a reliable coder.

G--D - April 1, 2017, 8:34 pm

i' a graphics designer if youre interested take a look here <https://www.behance.net/UcefRS>
add me on skype : Youcef.rekkas if interested

Grievous????? - April 2, 2017, 7:08 am

Still looking for people.

I have good ideas, I stay organized with all my work, and provide the best possible options available through statistics.

Skype: josephkim144

if interested

Zeke - April 5, 2017, 4:06 pm

I have an idea, but I don't have the money for it and I won't be able to execute that idea all by myself properly either, I need somebody else with me. It's related to eCommerce, PM me if you're interested.

Grievous????? - April 6, 2017, 11:35 am

Please send me your propositions, I'm looking forward to hearing some of them.

Jøjø - April 6, 2017, 3:41 pm

Hi me, please pm me! I have an iOS app idea!

Grievous????? - April 6, 2017, 4:19 pm
