Thread: [\[MMORPG\] Silkroad Online](#)

Old School Cracker - April 1, 2017, 3:54 pm

Anyone here who plays the official silkroad online or any of those private servers?

Raz Riverblade - April 1, 2017, 4:52 pm

That thing still lives? I played it once in elementary (in uni now), didn't even hit 20 cyz i went back to wow. Still remember constantinople vividly.

Link it for me buddy!

Condoms - April 1, 2017, 5:18 pm

I see why they call you "Old School".. Might be time to find a new game?

try this one bro -> [reality-sro.com](#)

Its a private silkroad serer which has like 4 k players online at the moment. Its pretty good and leveling up is way faster. I started playing from yesterday.

andi437 - April 2, 2017, 4:17 am

what is that, I just know the website which is now offline. Can you give me more info?

Which website is offline ? If you mean the official website, it is still online.

Lufasu - April 2, 2017, 4:19 am

I used to run my own private server.

The game is good but the official one, pay2win ew.

Same here, i was running my own private server last year for 3-4 months. Later i had to close it down due to some issues. Which was your private server ? Yeah official game is pay2win

vitalspot - May 6, 2017, 3:44 am

Used to play some time ago but most of my friends left and haven't been around, but there are some nice private servers for time waste.

Moxxi - May 6, 2017, 4:15 am

i thought this was gonna be a mmo about drugs and I googled it and was disappointed
