Yeah, got some good laughs watching her reaction in the stream.

Go to 3h 5m to see her get kicked then she about cries. Kind of feel bad. Watch the whole match before that for some laughs. Had to share

Not really too much crying per say, she had the same blank expression on her face

She was crying on the inside..... Then she starts rolling her eyes in the next game warmup

Was this a 4 chan raid? lmao

Seems like a boring streamer anyways, she just sat there playing - not entertaining at all.

Yeah... This is 4 hours.... When does the trolling begin?

Kaleb - April 2, 2017, 3:08 am

Are you that kid that keeps saying.. coomee oon i want to see her reaction on stream and all those other autistic stuff?? You are kinda cringy dude and her reaction wasn't that bad considering you acting like an annoying 10 year old the whole game.... ruin someone's game by being annoying isn't funny.. I see you banned on this forum really fast if your character is like that here aswell

No I was not the 14 year old kid. I was pretty quiet

pnda - April 2, 2017, 2:28 pm

She really didn't care, saying she cried is a big exaggeration. She was a boring ass streamer anyways.

Sick Info - April 2, 2017, 2:31 pm

I don't think she was amused from the start. Lol
