EDIT: After reading it I must say that there's really a lot of information. Everything was explained in depth and easy to follow.

(Apr 3, 2017 09:33 AM)Jopy Wrote: [\[CITE\]](#) Vouch for Complexity, Purchased the ebook last night read it all today, very informative, would recommend this to beginners and advanced doxers any day.

(Apr 3, 2017 09:52 AM)Sickness. Wrote: [\[CITE\]](#) I got a vouch copy from Complexity and I can say that I didnt know like anything that was on the ebook. This is great for begginers and maybe for people that know a bit or more.

btw this is a great ebook and \$5 is nothing for that quality.

(Apr 3, 2017 10:30 AM)Chief Bromden Wrote: [\[CITE\]](#) I've read this product multiple times over and over, in fact I went through the eBook to ensure proper grammar, spelling, and explanations! I've read quite a lot of doxing ebooks while I've been on the internet, and you have my 100% quality assurance this is the best. Ill leave a more detailed review when I get home.

(Apr 11, 2017 11:54 AM)Fortunate Wrote: [\[CITE\]](#) I've worked with Complexity before and he has done some doxing work for me previously.

Do not hesitate to buy this, good luck with sales.

(Apr 12, 2017 03:33 AM)M?xim Wrote: [\[CITE\]](#) Supreme Doxing Review

I have received a review copy of this e-book.

Content: This doesn't just tell you to "Search and look for this and that" but instead shows you with images and real example. It brings up many methods, common ones and ones that are semi-private which makes this e-book different from every other on the market.

Price: The current price is way too low, but I see why it is that. But still, for the amount of work that has been put in to this e-book, it is worth a lot. You won't find a more detailed guide anywhere, both public and private.

I have reviewed many doxing e-books before, and this is among the top ones. It definitely has much vouch.

(Apr 12, 2017 08:56 AM)?Lads Wrote: [\[CITE\]](#) Before I get into details, this product is the best doxing guide I have seen on hf to date.

The layout is extremely well put together with alternative ways to do each method. Screenshots, websites, and other useful resources are provided for you when you buy the ebook. This covers every doxing method I have heard of and even more. Contained in the 20+ pages are the best tips and tricks for doxing that I can recommend without hesitation. The only problem is that this ebook is way too low prices for the effort and time he took to make it. This is no run of the mill simple 1 page guide, this was made by people who know what they are doing in this field.

Huge vouch from me, amazing guide.

(Apr 23, 2017 09:52 AM)Chief Bromden Wrote: [\[CITE\]](#) Surprised it's only 5\$, anyway reply to skype I made some edits.

I know decided to put it cheap as not that many people are actually purchasing.

To all customers there will be an updated version uploaded soon. Which adds three more pages to the eBook!

eHate - April 26, 2017, 3:51 pm

I was a little worried that for 5 bucks it was another basic ass book filled with junk I've got from googling and my own HF research like basic skype info to use a resolver etc but this actually has a ton of really awesome information in this. Like, this is a legit book, and has some really useful tools in it that I certainly would've never known about otherwise. I used it to take my dox profile of some skid who'd been harassing me and my mate lately from just a name and facebook to having many of his emails, address, previous addresses, a handful of his old accounts, mother and fathers name, dates of birth, telephone numbers, IP address, his DOB, his cell phone number, several aliases, twitter, Instagram, youtube, skype and alternate skype, ISP info, and even an embarrassing photo.

Way more than I expected for 5 bucks, and OP says he's updating it with some extra info that I've been trying to find for a while so I can't wait for that. If you're looking for an all inclusive doxing guide please, look no further. I contemplate giving OP an extra 5 bucks just for that hard work put into this.

Thanks for all the continued support you guys have shown for this eBook. I am currently working on an update which should be ready for download this weekend coming. Stay tuned.

Anti Democratic - June 19, 2017, 7:40 pm

Just purchased, I must say it's a very nice doxing e-book. Definitely taught me some things that I didn't know, a very unique e-book with valid & up to date methods.

Thanks bro, would like to mention that the eBook will be going back to its original value on the 30th. As well as that a update will be coming up shortly for the eBook!

hopeforme - June 25, 2017, 11:58 am

Bought a copy, will be updating with review.

Gave the copy a skim and already looks good. Will read in depth and digest tomorrow.

Good job OP, nice ebook. Props to you.

Space• - June 26, 2017, 4:25 am

I just bought this Doxing Guide. I will be posting a review on behalf of Influence of this Guide once I completely walked through the eBook.

Thanks for the amazing review. If you're still hesitant on purchasing this should help you make up your mind. Price is back at original price.

sp?c?m?n - June 29, 2017, 4:23 pm

I would like to know of this works in the UK I have purchases these kinds of ebooks before but they didnt work for the UK :(

Yes it does bro.

As well as that I would like to thank everyone has purchased and stuck by Supreme Doxing since the start, recently reached \$300 in revenue. Thank you so much.

playersafe - July 6, 2017, 10:15 am

Vouch! Bought this product and it is extremely well organized and knowledgeable. The owner is also VERY kind and understanding, would recommend.

Valdiux - July 15, 2017, 10:55 am

Vouch for ?C???I?x???! This E-Book is very good. I was already knowing SOME things in this book, but there is SO much detailed stuff in here. Also very much links and a good DETAILED explanation of everything.

In my opinion this is definitely worth the money. Very good job bro!

I got some trouble with payment, but I added him on skype, And he helped me.

Thanks bro!

No this does not involve spokeo. I have actually a really good site that works free and works for the UK.

insanemods - July 31, 2017, 1:19 pm

Thanks, it is a very Nice book with much information and it is good written. It is worth the \$10 I would say !!!
