Let's pray for my sides, as they have been brutally sent into orbit.

Sorry guys, didnt know it was against the rules. I just see people always having vouches and reps, and I thought the ones with 1000 reps paid for it. my bad.

You've been here since 2012 and have yet to read the rules?

That makes literally no sense lol. We have vouches/reps because we conduct deals.

Probably, somewhat blows my mind since it are quite some reps.

I wouldn't message him about that. Only about proof of someone buying rep.

Omni won't get involved in deals

Yeah, I understand that. But at least his rep will be removed which will make up for the money I wasted.

Just wait until OP PMs Omni, that guy will be dealt with sooner or later

If you PM Omni to get involved in a deal dispute, there is a 99% chance of getting all of your positive rep moved and a -10 by omni.

You also risk getting closed (banned forever) for wasting his time.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
