Sekai no Yami Zukan

Synopsis (Courtesy of MAL):

Quote:The anime will be in an omnibus short format that will tell stories of the strange and bizarre in our world, including UFOs, cryptids, curses, ancient civilizations, supernatural powers, spiritual experiences, bizarre cases, different dimensions, and urban legends, told in a picture show style. The anime seeks to evoke the retro atmosphere of pulp horror stories that were popular in the '60s and '70s in magazines. -ANN
