Thread: [Android Projects with source code! Hangman| Rps| chat App|Solatiar and more|](#)

Glushko - April 3, 2017, 10:22 pm

Hello friends i am now providing my all android projects ,which i have coded that's in bundle and specific .the projects are consist of media files as well as api of the program.

it basically consist of

System Optimizer Pro Android App Template
Smart School Mobile App And PHP Backend
Password Android Game Source Code
Memory Game For Kids Android Game
Screen Recorder & Capture Android App Source Code
Zombies Hunter - Android Game Source Code
Video Editor Android App Source Code
Change Sides - Android Source Code
Dots And Boxes Android Game Source Code
Chester Jetpack - Corona App Template
Fast Flashlight - Android App Template
Glow Compass - Android App Source Code
Danger Climber 2 - Android Game Source Code
Equilibrium - Android Game Source Code
Tower Runner - Full Android Studio Project
Big Rover - Android Game Source Code
Whatsapp Media Hider - Android App Source Code
whats App Location Android App with source code
whats App Profile viewer with source code

and 200+ more APps

who ever need this bundle pack or specific program can

contact me on skype - [live:mythians.hf](#)

?

you mean to say more than 200 android source codes.. i should paste here..

it will be more convenient to talk with needed one. may be they need any modified projects .

good for those beginners who are learning java and want to learn android.

Glushko - April 12, 2017, 2:50 am

I am online for those who need resources of above listed source code. :)

AlphaGalileo - May 6, 2017, 3:12 pm

IS it free? well its cool , can u show us snapchat working api ?

If yes than I can think of to spend money . ?

z1995z - May 9, 2017, 10:32 am

What is this "pm me for method" type bullshit. Now in coding section. Skype bot advertisements...

.Skies - May 10, 2017, 8:30 am

Could you PM me the source codes, really interested

Thanks :)

SciFi - June 10, 2017, 10:23 am

Is it free???.....if yes can u send me a link of it to my pm?

mrpizzahut - June 11, 2017, 4:27 pm

Is it possible for you to upload these files as a .torrent or something. Skype wants way too much information. PM me any details please.
