Thread: [\[FREE\] AlphaPack1 HOT blonde, perfect for snapchat](#)

AlphaTurtle - April 4, 2017, 6:53 am

So I guess I found a pack and I wanna share with this amazing community. I don't know if it is saturated or not, I found it and I'm just sharing.

There are like 361 files (171 mb), most of them are short videos (max 10 seconds) perfect for snapchat I would say.

PM me for the download link :)

Don't have it anymore. This is 7 months old!

OnePlus6 - April 4, 2017, 7:17 am

No, she's really fucking hot, but she's really popular on instagram. Look her up.

Oh lol ok. But still, it doesnt mean the pack is 100% saturated. I bet it will help some beginners at least, and if not, its good for "educational" purposes as she's so damn hot

Troep - April 4, 2017, 9:16 am

Yeah, that's probs her.

Here's what she looks like, in a few of the pictures on your pack she's wearing the necklace you see in this google search (the black crystal), but it's obviously her.

TBF this pack is probably worth really decent money considering she's fairly popular and really hot.
