Thread: [Scammed by 'TITAN MAN 23' uid=1201410 | \\$50 BTC DO NOT DEAL](#)

Cash - April 4, 2017, 9:13 am

I threw \$350 on UNC last night and I was in the process of cashing some of it out. I was supposed to trade \$50 BTC for \$57.50 PayPal with the user 'AGLA' uid=1201410

As you can see I was supposed to send \$50 BTC to his address,

Here is the blockchain where you can see I sent it:

He has also now blocked me:

Do not deal!

TITAN MAN 23 - April 4, 2017, 9:15 am

Haven't received the payment. You kept telling me it was pending... ? You seemed suspicious so I chose not to deal with you.

Orgy - April 4, 2017, 9:15 am

This is why I've got a DWC on his rep. He rips off nonupgraded users

Broke bum, I would never find it even slightly sensible to steal especially something like <100\$ XD Guess its because I have a job unlike these pathetic internet thugs.
