Thread: [Male eWhore Pack / Guy eWhore Pack](#)

joheffron - April 5, 2017, 12:48 am

Hello!

I am sorry for posting this even if I'm new, but I am searching for a Male/Guy eWhore Pack, because I think I can hit a huge community of gays that are willing to pay.

If anyone is willing to share that would be great! Including pictures if possible, thank you!

Yes, thank you for pointing that out. I have found ones that are just pictures gotten from a facebook account, and a few that are real but too saturated. Thank you for replying though!

Yes, I will be using this on gay men, older gay men to be exact.

OP that is actually very creative and clever. However.. I think this might not work out as well as you think cuz men are more sexual and more likely to get naked for free as opposed to women. Good luck anyways!

Thank you so much for the generous words, everything is hard to do at first, but you just need a little determination for it to become a success. Good luck to you aswell!

Bump! Anyone? Please? I would really, really, really appreciate it!

look like shit bro

blackbeard.hacks - May 13, 2018, 1:05 pm

I had the same idea. I believe there is a large market of fags that like gay for pay. Market it as a young man who has his shit together, but just really needs the money. That way they cant try to 'seduce', and its more straightforward. Feel free to PM me to bounce ideas back and forth, as I might give this a try.

Dont think it will work, just search gay dating site and ull have guys ready to show their dicks

This is so wildly untrue.

You can easily click once or twice on twitter and discover tons of free stuff from the same person/people and find someone who will pay just as easily.

Made \$60 in 30 min simply by trying. That was with zero effort, copying and pasting. Just saying man.

But where do you find these people who are willing to pay?
Grindr?

I would appreciate an answer thank you:)

Cycletrader - February 17, 2024, 7:03 pm

This idea is crazy but I think it will mostly work on older gay men. Good luck with your work
