ALL RULES ON OUR DISCORD BELOW
#/sj9fGD8

ANY QUESTIONS PLEASE PM ME ON DISCORD.

Tohka - April 6, 2017, 11:29 am

Any risk involve with doing this?

moneydropshit - April 6, 2017, 11:29 am

The main risk is on my part. I recommend not putting your money into your bank and leaving it as cash.

What are you talking bout? The biggest risk is on the people receiving the money, if you get marked as a "high earner" then you will get flagged and admins n shit will start to investigate you n shit.

Also people have been talking about ban wave, no confirmation but I'd be a bit more careful until the storm is over.
