I wasn't sure how much I'd like it but I read a review of Ep1 and decided to give it a shot. Seems like I will enjoy it. Also what is up with the uniforms, there's gonna be so much fan art.

Yepp, and last episode next week. Always I wonder how everything will be cleared up at the end, and somehow it always manages to happen somewhat decently. Hopefully this ends well.

Yeah I'm really hyped for the next episode that cliff hanger on episode 11 ?

RainbowHentAi - June 20, 2017, 9:11 pm

hmm considering the anime is ahead of the manga prob not. Also, the ending was "meh" I wish they didn't try to be PG. If they went full gore I'd have enjoyed it more. Hoping for the manga to do a better job than the anime tbh.

I just watched the last episode, and yeah. It was a generic ending. It wasn't a bad one at least. And there is potential for a sequel.

I need the sequel, I LOVE THIS ANIME
