Xphile - April 10, 2017, 1:33 pm

Saw this a while back, gave me a laugh when Siph0n tweeted about it.

Isn't Vinnie meant to be an amateur MMA fighter, or was that intended as sarcasm? ?

Anyone else think that club pic looks like D radcliffe?

1 pulls the finger,
1 does a double finger gun,
1 does a single finger gun.

DARPA - July 13, 2017, 8:56 pm

You crazy kids and your sex porno cocaine/joints lifestyles..

CheGuevara? - July 13, 2017, 9:02 pm

It was funny to see two guys versus one and the two guys getting their ass spanked.
Also I don't know who's who in the photo of the three guys in the club, but the one to the left (double f-you sign),
is rocking some jewlerly from Alibaba, I can tell. The watch, the rings, I have seen the exact same ones. Just saying.

Nothing wrong with that at all - if you think it looks good why not.
Some people don't like to spend a fortune on accessorizes and I don't blame them.
But I just had to note that since I saw posts talking about rich kids? But yes indeed can you be rich and buy cheap knockoff items.
However when you're young you are more likely to waste money to the left and right , especially on watches and jewelry.

And TL:DR, thanks for sharing the video I got a good laugh.
