Yes, uid=891000.

This person offered a domain for sale, after waiting his reply 1 week, sent me a PM:

Quote: Sorry for the late reply, I don't come on HF very often anymore, and I forgot I posted about hfl33t.com.

I'll sell it for \$15 right now

I ask how he wanted the money be sent. After waiting several hours, he say:

Quote: Just got a reply from the original service owner, he's willing to buy it back. It's not that I don't trust you, he just has the user info from the previous service.

Good joke, Xenu. People like you make my experience worse here. ?

Doesn't seem like this should be a DD?

It seems you just got your time wasted OP.

Asset - April 11, 2017, 5:59 am

So, he didn't actually do anything apart from not selling it?

FluxHax - April 11, 2017, 6:11 am

I think it's pretty crummy when a person laughs at the expense of others.

Cylow - April 11, 2017, 6:12 am

This isn't a deal dispute, please close the thread and leave hackforums thank you.

No ones laughing at you?

I think it was decent of OP to explain what had happened, Could have not responded to you.

Why Indian?

G*59 - April 11, 2017, 7:15 am

This is fucking pointless, you could have negged him for wasting your time but its not worth a thread..

Lor?d - April 11, 2017, 7:19 am

So he wasted your time and you think that's worthy of a DD?

Emoticon - April 12, 2017, 6:28 am

Fine, fine. I'll rephrase my message. You're an idiot, and I found someone better to sell this to.

When I first told you I wasn't selling it to you, this was your reply:

Quote:No problem, thank you.

What changed?

Also, look at these hilarious replies I've received from this user. Oh, boy.

Quote:If you give me a quote you can't make this shit. Is not so easy. Nono

Quote:You got some nerve, this not end here.

You're essentially threatening me in those messages.

As a response, I'll just post it here: go ahead, do something to me.

He might get a better offer and cancel the deal with you. It's nothing but time wasting. Shouldn't be in this section tho.
