You will get:

- A free .co.uk address
- A free customisable website
- * Free unlimited website updates

Cost: Only 3\$!

We can use a mod/admin since i only have 15 posts and alot of you guys wont trust me.

PM ME!~

First of all mods and admins won't do transactions for you. It's up to the users judgment weather to deal or not. Also since the price is very cheap I can see this host going down very soon as do others.

It will not go down quickly,
You just got to find out for yourself :)

do u have a website or other

Always Sad - July 22, 2010, 3:22 pm

What do you mean by that?

Diabolic - July 22, 2010, 3:55 pm

Mhmm this sounds cool, Is it you giving us that or someone else ?

Always Sad - July 22, 2010, 4:00 pm

I will, I will provide you with all the information.

Cognito - July 22, 2010, 4:28 pm

do u have a website up, also is the hosting unlimited do we get cpanel access and the domain cpanel

Server.cfg - July 22, 2010, 8:03 pm

whats the disk space you get? Bandwidth? Cpanel? CGI, perl, php, etc?
