Thread: [LuminosityLink Scammed me?](#)

norskefaa - April 14, 2017, 8:02 am

I bought the Rat program LL, like a day ago. Send them tickets and mails, no answer.

Someone got there skype or something?

The service is so fucking bad

LL Didnt scam you just wait for their respond.

Im sure they will help you with whatever you need! :P

There is no way KFC or LuminosityLink scammed you. Just give it some time and if you don't recieve a response, send KFC a PM here on HF.
