1 Vouch copy will be giving to the first person that PM's me about it.

Me and a partner have started an obfuscation service where for only \$6.99 you can get a professional obfuscation done.

This is an automatic service so all you have to do is at checkout put in your products unobfuscated download link and a email where you would like the final products sent to.

All requests will/should be done within 24hours or else you will receive a full refund + your product obfuscated.

Features:

Anti ildasm

Anti Tamper

Constant Protection

Control Flow Protection

Anti Dump Protection

Anti Debug Protection

Constant Disintegration

Fake Attribute

Invalid Metadata Protection

Reduce Metadata Confusion

Reference Proxy Protection

Resources Protection

Stack Underflow Confusion

Name Protection

After-

TOS:

Spoiler ([Click to View](#))

1. No refunds unless service is not completed within 24 hours.
2. We have full rights to deny refunds without notice.
3. We am not responsible for anything that is obfuscated.
4. We can change TOS at any time, without notice.
6. By purchasing this you agree to the terms of service.

If you have a problem or your service is not completed on time please contact my partner [Indirect](#) or email him at Indirect@protonmail.com. He will be in charge of all sales and/or disputes.

Thanks for the vouch man! Enjoy the obfuscation!

What sort of obfuscation are you using? Would something like confuserex be able to de-ob it?
