Thread: [\[Discussion\] Is It Wrong to Try to Pick Up Girls in a Dungeon? On the Side: Sword Ora](#)

Yui-Senpai - April 14, 2017, 6:37 pm

Well I would of had the full name but serious how long is the title. "Dungeon ni Deai wo Motomeru no wa Machigatteiru Darou ka Gaiden: Sword Oratoria"

Synopsis

Quote:Sword princess Aiz Wallenstein. Today, once again, the strongest female swordsman heads to the giant labyrinth known as the "Dungeon" along with her allies. On the 50th floor where mysteries and threats such as a decayed dragon's corpse that crumbles to ash and an irregularity that creeps ever closer to the party loom, Aiz calls for the wind and heads deeper into the darkness of the Dungeon. Eventually, she finds herself meeting a boy for the first time. "Um, are you OK?" In the Labyrinth City of Orario, the contrasting stories of the boy and the girl intersect!

I've been waiting for this. Hopefully this is as good as the main series, if not better.
