what exactly does this tool do?

ShennagigansDN - April 14, 2017, 8:57 pm

Uh-Oh what's this now? lol

Stealth™ - April 14, 2017, 8:58 pm

What do any of these do anyway?

protege - April 14, 2017, 9:01 pm

not sure if anyones going to download that since you're new but for anyone wondering. these tools are exploits by the NSA to hack into any Microsoft computer around the globe
