Works great, I just wish I could disable the VPN on HackForums.net since I have to disconnect the VPN connection when I want to visit HackForums.

IHitNoobs - May 1, 2017, 1:18 pm

hey man can i try this out plz and thank you means alot going to shoot u a message right now

Jopemeister - May 1, 2017, 1:27 pm

By any chance you can host a softether VPN server on the Amsterdam location? a lot of organisations block OpenVPN.

MoDev - May 1, 2017, 2:06 pm

Hey thanks for this, I've been looking for a VPN service and am also awful and deciding which to use, or if I wanted to buy one. Having a free one would be great

I'm sure others here are in the same boat as well. We appreciate your service, and it'd be great if you could PM me an account too. :)

Jopemeister - May 1, 2017, 2:08 pm

Op helped me out a ton! thanks a lot!

MoDev - May 1, 2017, 2:25 pm

OP responded very quickly and it works. :D

Like I said in my last post, thanks for this. We really appreciate it. Vouch for OP

Hifonics - May 1, 2017, 2:25 pm

Big Vouch for this VPN ! i have got 18 Mbps in DL and normally have 25 Mbps without VPN.
Thanks to OP for sharing and good support!
