Thread: [Need 1000 word college essay written before midnight tonight](#)

Un-Named - April 16, 2017, 10:38 am

Need an essay written. Can be + or - 150 words.
The essay is based on an article, MLA Format.

Who can do this for me? Must have a reputable background. The assignment is due at 11:59 tonight and I'm just covered in other assignments that I have to knock out + I have to drive back to my college tonight which is about 4 hours away.

Willing to pay \$25.
(Hurr hurr signature is ironic but this is an emergency)
