Thread: [I have a voice, you can get it to say things. Mk. 2](#)

Saltpeter - April 21, 2017, 5:56 pm

I'm back! Figured I'd give this another shot without restricting it to upgraded members this time. It's exactly as the title says; post a thing you'd like me to say and I'll read it out into my microphone for you. I've done a little bit of vocal work before but nothing too professional. I, of course, reserve the right to refuse your request. I'd also appreciate it if you kept them under a paragraph. I most likely won't be able to do any impressions buy you can still go ahead and try your luck.

[This](#) is is a short clip of what I sound like, since I know that's the only thing you're wondering at this point. Anyway, let's get to it!

Let me tell you something you already know. The world ain't all sunshine and rainbows. It's a very mean and nasty place and I don't care how tough you are it will beat you to your knees and keep you there permanently if you let it. You, me, or nobody is gonna hit as hard as life. But it ain't about how hard ya hit. It's about how hard you can get it and keep moving forward. How much you can take and keep moving forward. That's how winning is done! Now if you know what you're worth then go out and get what you're worth. But ya gotta be willing to take the hits, and not pointing fingers saying you ain't where you wanna be because of him, or her, or anybody! Cowards do that and that ain't you! You're better than that!

Can you do a poem for me?

Spoiler [\(Click to View\)](#)

I never thought that it'd be so simple but
I found a way, I found a way
I always thought that it'd be too crazy but
I found a way, I found a way

If you open up your mind
See what's inside
It's gonna take some time, to realign
But if you look inside, I'm sure you'll find
Over your shoulder you know that, I told you
I'll always be pickin' you up when you're down
So just turn around

Now that I know that anything's possible
I found a way, I found a way
No one can break what is so unbreakable
I found a way, I found a way

If you open up your mind
See what's inside
It's gonna take some time, to realign
But if you look inside, I'm sure you'll find
Over your shoulder you know that, I told you
I'll always be pickin' you up when you're down
So just turn around

No one cares
What you give
You know you gotta live like you wanna live
When it's time
To be free
You know you gotta be what you wanna be

If you open up your mind
See what's inside
It's gonna take some time, to realign
But if you look inside, I'm sure you'll find
Over your shoulder you know that, I told you
I'll always be pickin' you up when you're down
So just turn around
