CloudD - April 19, 2017, 10:45 am

It's not useless at all, because you can buy things from Amazon. ?

izana - April 19, 2017, 10:46 am

The internet is a lot bigger than just this forum. There's lots of places you can sell your card/codes.

THC - April 19, 2017, 10:47 am

Give me it :)

Just quit then! Or spend the AGC on yourself.

44krieger - April 19, 2017, 10:48 am

Then don't. Easy.

What is exactly depressing here?

The fact you love e-whoring so much that you can't find someone to sell your AGC to because you e-whored so much for all that AGC?

Yeah, pretty depressing.

jawsh33 - April 20, 2017, 10:32 am

I know a site where you can sell AGC for 90% which no one realises, but is super obvious CCC:
